

Delivery specifications Metal cards

The delivery specifications are as follows:

- Supply your design as a PDF or AI file, in CMYK colours
- Preferably in **vector format** wherever possible (for the best print quality)
- Add 3 mm bleed. Delivery format including bleed: 91.6 x 60 mm
- Anything left white in the design will automatically take on the colour of the metal
- Do you still need something printed white? Please state this clearly when submitting your print files
